# Civics Education Program

**BRING THE COURTS INTO YOUR CLASSROOMS! A **FREE** PROGRAM DESIGNED TO HELP STUDENTS UNDERSTAND THE JUDICIAL AND LEGAL SYSTEMS!**

**LAWYERS AND JUDGES** volunteer to teach our creative and interesting curriculum. In our 8–12-week program, we visit classrooms once a month throughout the school year and bring our lessons to life with activities, games, and field trips to the courthouse. We begin with our four core classes to build a solid foundation of civic knowledge. We then cover “elective” topics that are chosen by the students and teachers.

## CORE CLASSES

Our program offers personal connections and experiences that are invaluable to students. Additionally, our state government has recently enacted **Act 35**, legislation that mandates civics testing as a graduation requirement in public schools. Help your students prepare and offer them an incredible experience with PMC's Civics Education Program!
